# ENVIRONMENTAL POLICY

## Our business statement

Tasman Industries Ltd recognises that it has a responsibility to the environment beyond legal and regulatory requirements.

We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods, with regular review points.

## Responsibility

Joint Managing Directors, John Bairner and Ben Stirling are responsible for ensuring that the environmental policy is implemented. However, all employees have a responsibility in their area to ensure that the aims and objectives of the policy are met.

We take steps both internally and externally to show our commitment to reducing our environmental impact. Below is a summary of our actions: These areas are reviewed at regular management meetings and communicated to all staff

Internally	Actions (with examples below)
<b>Waste management</b>	<ul style="list-style-type: none"> <li>We will reduce the amount of waste produced and recycle where possible.</li> <li>We will prevent the release of pollutants that can cause environmental damage (if relevant).</li> <li>We will use document management systems to reduce our paper waste.</li> </ul>
